ABOUT MTDC

MTDC is a wholly-owned subsidiary of Khazanah Nasional Berhad and has been the key player in commercialisation and management of government funding since the 7th Malaysia Plan. MTDC was established in 1992 to promote the adoption of technologies by local companies via commercialisation of local R&D or acquisition of foreign technologies.

Moving forward MTDC is positioning itself as a strategic investor and value creator in Deep Technology in bringing innovations to market, growing technology-based companies via investments & value creation and promoting a conducive ecosystem for Malaysian technology-based companies to grow.

The services and solutions provided by MTDC is through its Strategic Investment & Funding, Technopreneur Training Academy (TENTRA), Centre of 9 Pillars (Co9P®) Business and Technology Advisory Services and Technology Centres.

BACKGROUND ON MTCP

The Malaysian Technical Cooperation Programme (MTCP) was initiated at the First Commonwealth Heads of Government Meeting (CHOGM) for Asia Pacific Region held in Sydney in February 1978. It was officially launched on 7th September 1980 at the 2nd CHOGRM in New Delhi, India to signify Malaysia's commitment to South-South Cooperation, in particular Technical Cooperation among Developing Countries (TCDC).

The MTCP emphasises the development of human resources through the provision of training in various areas which is essential for a country's development. These areas include diplomacy and diplomatic practices, economy, good governance, education, tourism, environment, social development, halal industry, safety and security as well as technology, among others. As of 31st December 2023, 37,815 participants from 144 recipient countries have benefited from the various programmes offered under the MTCP.
